### STALLION SERVICE CONTRACT

I, \_\_\_\_\_ hereby confirm my reservation to the stallion \_\_\_\_\_ for the \_\_\_\_\_ season to breed the mare named \_\_\_\_\_. Stud fee for breeding above named mare to this stallion is **\$1000.00**. This includes a booking fee of \$400, which is non-refundable and due at the time of contract signing. The balance of the stud fee and any other related fees are due at the time of collection.

A uterine culture is recommended if you have: an older mare that was bred before, a mare that had a difficult birth/retained placenta, aborted last pregnancy or if you have any other reasons to be suspicious of her uterine health. We expect you to follow your veterinarian's recommendation.

**Live Foal Guarantee:** Stallion Owner guarantees that a single live foal will result from the breeding privileges granted herein. The term "live foal" means that one foal resulting from the breeding stands alone, nurses, and lives for twenty-four (24) hours after foaling. It is understood that if the Mare proves barren, aborts her foal, or if the foal is stillborn, a return breeding will be guaranteed the following two breeding seasons, providing proper notification is given as defined below:

- a. Mare owner must have mare examined by a licensed veterinarian between 30-40 days after the last day bred, and Le Bonheur Equestrian notified of her pregnancy status at that time.
- b. Stallion owner must be notified within one week of the foal's death. A statement of details by a licensed veterinarian must follow within 10 days or the guarantee becomes null and void. This clause is also binding in case of abortion. If a mare reabsorbs her pregnancy, Le Bonheur Equestrian needs written verification of this fact from a veterinarian.
- c. Mare Owner verifies in writing that such abortion or death did not result from any act or omission on the part of the Mare Owner.

**Substitutions:** If the Stallion dies, is sold or becomes unfit for service during the breeding season, and the Mare is not in foal, this agreement shall become null and void. The Breeding Fee (less the Booking Fee), if paid in full, will be refunded to the Mare only if the Stallion dies AND the Mare proves barren or does not produce a live foal. For no other reason than the Stallion dying will money be refunded. If the Mare dies or becomes unfit for service, another mare may be substituted only upon agreement modification by both the mare owner and Le Bonheur Equestrian.

I understand that the mare owner shall assume all responsibility for the condition of the mare and bear all risk of loss or damage to the mare whether by death, disease, injury, infection or otherwise, and by any cause whatsoever, and therefore agrees to hold the stallion owner, keeper or agent harmless for any and all damages associated therewith. Any disputes of a legal matter must be settled in Murray County, Georgia.
